The day has arrived—the ladies of Litchfield Penitentiary are back, and we couldn't be more excited. We missed you, girls! The premiere of season 3 means that, in real life, the cast has been out and about promoting the show, and looking f-a-b-ulous! Take a peek at some of our fave OITNB-off-duty-looks. A far cry from those brown prison jumpsuits, we'd say:

1. Laverne Cox's Metallic Silver Moment

2. Uzo Aduba's Ombre Fit-And-Flare

3. Laura Prepon's Earth Tones Outfit

4. Danielle Brooks's Little Red Dress

5. Taylor Schilling's Monochromatic Look

6. Samira Wiley's Cool Crop-Top Set
