Taylor Swift's buzzy "Bad Blood" video was chockablock full of female (and male—hey Kendrick!) star power, but there was one name you may not have recognized: **Martha Hunt**. "Who?", a couple of my friends asked, confused, as we reviewed the video's laundry list of well-known celebs. Well, incase you were wondering the same thing, we're here to get you up to speed. Here are 5 things you need to know about this rising star:

1. Though she has walked in a few Victoria's Secret (<https://www.victoriasecret.com/>) runway shows, she is one of the brand's newest Angels, having officially signed on just this year.

2. Duh, she and Taylor are besties (you know, in addition to Taylor's other supermodel gal pals).

3. She's got that off-duty model look on lock.

4. The North Carolina native is a Fashion Week pro, having walked for designers like Versace, Altuzarra and Prada.

5. She knows how to kick back and relax—and in a supercute bikini, to boot!

We have a feeling we'll be hearing a lot more from this new "it" girl in the weeks and months to come!
